

# BEAD BAGS (BBA) Air Filter Fresheners

**ACE BEAD BAGS (BBA)** are long lasting, non-toxic air-fresheners that can be attached to the HVAC filter in the air conditioning system. **ACE BEAD BAGS (BBA)** provide a subtle fragrance and are suitable for use in residential or commercial office environments. **ACE BEAD BAGS (BBA)** are for use with window or wall air conditioners and small central air-conditioning units. Also ideal for use in vacuum cleaners, laundry dryers, autos, trucks, airplanes and buses.

## FEATURES & BENEFITS

- Freshens damp musty living/work spaces
- Variety of fragrances available.

**DIRECTIONS for USE:** For window or wall air conditioners, attach the net bag to filter or louvers. Attach to center of clean filter in small central units. In the case of vacuum cleaners insert net bag in each clean vacuum bag. For laundry use, place one bag in dryer and replace as needed. In autos, trucks, airplanes and buses, place the bags under seats, in air circulating systems or ash trays.

**SAFETY:** Non-toxic. Wash hands after use. Do not ingest. **KEEP OUT OF THE REACH OF CHILDREN.**

## PHYSICAL PROPERTIES
