FOAM BLAST (FBA)

HD Foaming Aerosol Cleaner & Degreaser

ACE FOAM BLAST (FBA) is a unique aerosol foam-containing super powerful, biodegradable, ultra-fast, water-soluble grease dissolving agents and detergents for instant "mega-powerful" cleaning action.

ACE FOAM BLAST (FBA) is formulated to spray an engulfing, heavy-duty foam that clings to surfaces and provides extended cleaning contact time. **ACE FOAM BLAST (FBA)** will deodorize as it cleans, leaving clean surfaces with a fresh citrus fragrance. Ideal to remove grease/oil from A/C coils, engines, exhaust vents, etc.

FEATURES & BENEFITS

- Unique "Foam Gun" spray action.
- Produces thick, clinging foam.
- Quickly breaks down grease and grime.
- Deodorizes as it cleans.

DIRECTIONS for USE: Shake well before using. Spray directly onto soiled surface. Look for self-indicating foam to become dirty, then flush with water stream. For difficult to remove stains and soils, allow foam to remain on surface for several minutes before flushing. Repeat application as necessary. Use a stiff brush to remove stubborn soils.

SAFETY: If ingested, do NOT induce vomiting. Give a glass of water and seek IMMEDIATE medical help. For skin/eye contact, wash with clean water for 15 minutes. If irritation persists, seek IMMEDIATE medical help.

CAUTION: Contains Citrus Terpene and LP Gas. Vapors are flammable when confined. Use only in well-ventilated areas. Keep away from sparks or flame. Turn off electrical equipment/pilot lights etc until vapors have dispersed. **KEEP OUT OF REACH OF CHILDREN.**
