**ICE-AWAY (IAW)
Fuel Oil De-Icer**

ACE ICE-AWAY (IAW) is a concentrated, solvent-based fuel oil de-icer that is designed to rapidly eliminate ice build-up in fuel oil storage tanks. **ACE ICE-AWAY (IAW)** is not for use in internal combustion engines.

FEATURES & BENEFITS

- Solvent- based, eliminates ice build-up.
- Restores oil flow in fuel lines.

DIRECTIONS for USE: STORAGE TANKS: Add 1-pint of **ACE ICE-AWAY (IAW)** for every 100-gallons of fuel in storage. To insure best results, disconnect the feed line at the burner when the ice has dissolved to let out the water. Reconnect the line as soon as oil begins to flow. **FUEL OIL TRUCKS:** To de-freeze pump on a loaded delivery truck, simply add one gallon of **ACE ICE-AWAY (IAW)** to the tank. **ACE ICE-AWAY (IAW)** will quickly seek out the ice at the bottom of the truck, and then dissolve the ice thereby putting the truck back into service.

SAFETY: If swallowed do NOT induce vomiting. Contact Poison Control Center. For skin contact, wash with clean, soapy water for 15 minutes. If irritation persists, seek immediate medical help. For eye contact, flush with clean water for 15 minutes, and then seek **IMMEDIATE** medical help.

CAUTION: Poisonous/Flammable – Contains Methyl Alcohol (CAS#67-56-1), 1,2 Propanediol (CAS#57-55-60. Do not ingest. Keep away from heat, sparks, or open flame. Use only in well-ventilated areas. May be fatal or cause blindness if swallowed. **KEEP OUT OF THE REACH OF CHILDREN.**

PHYSICAL PROPERTIES
